

Preliminary List of Exhibitors

COMPANY	COUNTRY	PRODUCTS	SECTIONS
A			
ACIMGA	Italy	Italian manufacturers association of machinery for the graphic, converting and paper industry	pack
Amoplast	Italy	Italian plastics and rubber processing machinery and moulds manufacturers' association	plast pack
G			
German Federal Ministry of Food and Agriculture	Germany	presenter of the official German Pavilion	food + bev tec, agro, plast, print, pack
H			
Hosokawa Alpine	Germany	producing and finishing blown film	plast
I			
Illig Maschinenbau	Germany	machines and tools for thermoforming and packaging technology	food + bev tec, plast, pack
Intermak	Turkey		plast, print, pack
J			
Jingke Mould Enterprise	China	logistics mould: crate mould, pallet mould; automobile parts mould: bumper mould, instrument panel mould, auto lamp mould; electronic equipment mould: tv mould, air condition mould, wash machine mould, kettle mould	plast
L			
Lohia	India	machinery for flexible woven plastics & packaging systems	plast print pack
M			
Macchi	Italy	extrusion lines for packaging	plast pack
MacPlas	Italy	technical magazine for the plastics and rubber industry	plast
P			
Plast 2021	Italy	international exhibition for plastics and rubber industry	plast
Q			
Qingdao Senchenglian Wood Plastic Environmental Protection Material Technology	China	PP/PE/PVC WPC profiles extrusion line, WPC/PVC door panel extrusion line, SJMS (Co-Rotating) parallel twin-screw granulating machine	plast
Qingdao Jinfuxin Plastic Machinery	China	PVC crust foamed board production line, artificial turf production line, PET/PP strapping line, plastic round wire drawing machine, plastic extruding flat film stretching line, HDPE huge diameter hollow wall spiral pipe production	plast
R			
Reifenhäuser Blown Film	Germany	blown film lines	plast

Preliminary List of Exhibitors

S			
Schobertechnologies	Germany	rotary tools, installation units and special machines for use in the film, foil, cardboard, nonwovens and paper processing industries	plast
Shandong Haidai Intelligent Machinery	China	Intelligent PP/PE extruder series: monofilament extruder, danline extruder, raffia yarn extruder, artificial grass extruder etc. Intelligent twisted rope machine series Intelligent packing equipment	plast
Shanghai Jwell Extrusion Machinery	China	various plastic pipes extrusion lines including large diameter PE/PVC double wall corrugated pipe extrusion line, large diameter PE/PVC solid wall pipe extrusion line, PP-R/PEX/PE-RT cool/hot water pipe extrusion line	plast
Snetor Chimie	France	PP, PPM (RAFFIA), PPC, PPR, PE, PS, PVC, PET, Engineering Plastics, plastic raw materials and chemicals	plast
S.S.P. Packaging Industries	India	automatic high speed bottling machineries for liquor, food & beverages, pharmaceutical, cosmetic & household, chemical, lube oil, rinser, filler, capper, labeler, end packaging machineries etc.	food + bev tec pack
T			
Taizhou Huangyan SICA Mould	China	preform mold	plast
Taizhou SINO MOULD	China	plastic injection mould	plast
W			
Windmüller & Hölscher	Germany	machinery systems for the manufacturing and converting of flexible packaging	plast print pack
Z			
Zhangjiagang Golden Machinery Group	China	beverage packaging machinery, filling machinery	pack food + bev tec
Zhangjiagang Sevenstars Machinery	China	plastic recycling plant, plastic pipe extrusion line, other auxiliary machinery	plast
